## RARITAN VALLEY CHINESE SCHOOL

Raritan Valley Chinese School (formerly 4-H Chinese School) was founded in 1982. The mission of the school is to teach Chinese language, history, culture, traditions, promote multi-cultural awareness and to participate in community service.

There are more than 115 students from 80 plus families in school. Although most of the students are Chinese descent, the school encourages and welcomes people of all ethnic background to join.

The school is administered by volunteer parents served as staff. Many parents also volunteer to assist the school in special programs and other school related functions.

Each year the school participates in many community events such as the Somerset County International Festival, Asian-American Heritage Festival and Somerset County 4-H Fair. In addition, the school also participates in the Chinese New Year celebration, the Summer Cultural Camp and Fun Fair sponsored by the Chinese American Cultural Association.
